15071 Laurel Lane RECEIVED
Lake Elsinore, CA 92530 FSIS DOCKET ROOM
February 23, 2004 05 MAR -2 AM 10:03

Gentlemen:

Thank you for banning the slaughter of
downed cattle for human consumption.

Please make this ban permanent.

It would not be humane to let other
livestock lie and slowly die in pain.
Please include pigs and sheep and all
downed animals.

Please make it unlawful not
to euthanize downed and sick animals.
Half measures do not end intolerable
suffering. Please work quickly for
action.

Thank you.

Sincerely,
Sharon D. Nash
