Dear U.S.D.A.

I am writing this letter to thank you for your emergency measures to ban the slaughter of downed cattle. I think it is fantastic that you have taken this measure.

Now please consider making this a permanent measure but not just for cattle but all animals.

Please bring our advanced society into the 21st century by showing the world that compassion & humanity must be shown by advanced civilizations.

Thank you & God Bless,
Macy Ellen Mock
