RE: Downed Cattle

February 24, 2004

I would like to take this opportunity to thank the person(s) involved in the ban to slaughter downed cattle for human consumption! I would like the agency to make the ban permanent, and to include all downed animals – sheep, pigs, and other livestock as well as cattle – in the final ban. Finally, I would like to ask that the USDA add a requirement that all downed animals be humanely euthanized immediately, wherever they became downed. Thankyou in advance.
