Dear USDA,

FSIS RECEIVED + Clerk  
FSIS DOCKET ROOM

04 MAR -2 AM 10:09

Thank you (times a million) for your emergency measures to ban the slaughter of downed cattle for human consumption. Please make the ban permanent and include all downed animals - sheep, pigs, and other livestock, as well as cattle in the final ban.

Also, please add a requirement that all downed animals be humanely euthanized immediately, wherever they become downed.

Thank you  
"Speaking out for those who can  
the animals."

Please do the Right thing!
