To Whom It May Concern:

My name is Victoria Cramer and I am an animal law attorney in Utah. However, I am mostly a person concerned with the welfare of various other species. I would like to thank your agency for its prompt attention to the downed animal issue and for your emergency measures to ban the slaughter of downed cattle for human consumption. Please make this ban permanent and include all downed animals - sheep, pigs, and all livestock in your final ban. Please also ad the requirement that all downed animals be humanely euthanized immediately, wherever they become downed.

Together we can end this cruelty of the 21st Century in one of the most prosperous nations in the world.

Sincerely,

Victoria Cramer
Attorney at Law
