To Whom It May Concern:

I am writing you with my concerns about the temporary ban on slaughtering downed cattle. I am thankful for your emergency measures and ask that you make it a permanent ban. I also hope that you include all downed animals such as pigs, sheep and other livestock in the permanent ban. Please require these downed animals to be humanely euthanized immediately, wherever they become downed. Thank you for your attention to this matter.

Sincerely,

Rob LeRoy
