Mark Herman

January 30, 2004

Thank you for the emergency measures to ban the slaughter of downed cattle for human consumption. Please make the ban permanent and include all downed animals — sheep, pigs and other livestock, as well as all downed cattle — in the final ban. Please add a requirement that all downed animals be humanely euthanized immediately, wherever they become downed.

Please send me a response regarding this important matter.

Thank you,

Mark Herman
