To: The FSIS Docket Clerk.

Thank you for implementing an emergency ban to prevent non-ambulatory animals from entering the food supply, as a safeguard against Bovine Spongiform Encephalopathy.

I urge you to make the ban permanent & to please include all types of livestock, not just the cattle.

To minimize the suffering of these poor defenseless animals, a provision should be included requiring downed animals to be humanely immediately euthanized.

Thank you for your time & consideration.
