Dear Sir or Madam,

I am writing to you to thank you for taking emergency measures in banning the slaughter of downed animals. I urge you to continue the good work and make the ban permanent. It is a shame that the animals that we depend on for food are treated with so much disrespect. It is inhumane and disgraceful to the human race that we neglect them the way we do. So please allow these gentle creatures the gift of humane death rather than abuse and slaughter. Thank you for your time and concern with this issue.

Respectfully,

Cindy Berard
