Subject: Message from Internet User - Horse Slaughter to Continue Despite Action

To say I'm disappointed is an understatement. As a voting citizen, I thought the process of the people, by the people and for the people worked through the Senate and House. Apparently, it didn't this time. It is so sad that an apparent favoritism exists between your organization and a couple of "Texas" horse slaughter plants -- I mean the voice of 3 plants is louder and clearer than the overwhelming majority vote of our government? It is just so sad.
