To Whom it May Concern:

**I am** writing in response the changes that are currently **underway** concerning the Farm **BILL**. Specifically, I would like you to look over the Debt Reduction or Shared Appreciation part. With the right changes, many other independent small ranchers, and myself could erase the debt that we now have due to this unfair assessment that many of **us** were forced into in order to **stay** in business.

I would like you to look at **7 CFR PART 1951, SUBPART S**. They have used the word certain and I feel that the word **all** should replace the word certain.

In reviewing **this change**, I hope that you will help make the appropriate changes to this bill and **also** request that this rule be retroactive.

Thank you for your time and concern in **this** matter.

Sincerely,

Ronald **E.** Prow
