

The Future of LAND IMAGING

You are invited to attend and participate in a

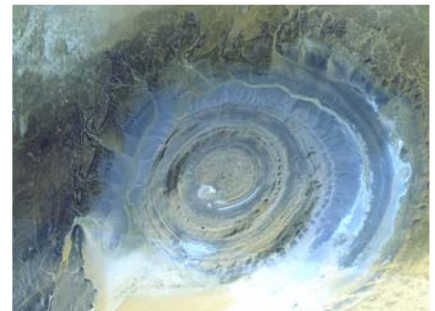

Public Workshop on Future Land Imaging* For the United States

July 26, 2006

1:00 PM - 5:00 PM

U.S. Department of the Interior - Main Auditorium
1849 C Street NW
Washington, DC 20240

Presentations by the Future of Land Imaging Interagency Working Group, industry, the user community, and government representatives. Attendees will be given an opportunity to express views and perspectives on future land imaging needs and capabilities.

*Moderate-resolution, Landsat-type multispectral imaging
