

## **Acknowledgment of Reviewers: 2008**

The impact of the journals of the Plant Management Network rests on the quality of manuscripts submitted by authors and on the careful evaluation by which they are reviewed. The network's Editorial Boards are very grateful to the individuals listed below who provided constructive critical reviews of one or more manuscripts during the year.

Paul Adler  
Brenna J. Aegerter  
Mohammad Afunian  
Glen Aiken  
John Andrae
