

High Energy Cost Grant Projects

PROJECT STATE/ GRANTEE	PROJECT	YEAR	AWARD
<u>Alabama</u>			
Pioneer Electric Cooperative, Inc.	Energy Saving Retrofits for rural low income high energy use homes	2005	\$855,760
<u>Alaska</u>			
Alaska Energy Authority	Elfin Cove Rural Power System Upgrade	2005	\$1,178,490
Alaska Energy Authority	Napakiak Power Project	2005	\$2,775,000
Alaska Power Company	Lutak Highway Electric Line Extension Project	2005	\$1,100,750
Alaska Power Company	5-10 Mile Electric Extension and Intertie Project	2005	\$675,687
Alaska Power Company	Tetlin Electric Intertie Project	2005	\$1,697,740
Alleutian Pribilof Island Association	Nikolski High Penetration Wind-Diesel project	2005	\$474,475
City of Atka Alaska	Construction of Atka Hydro-Electric Powerplant	2003	\$390,000
Alaska Village Electric Cooperative	Chevak Power Plant Upgrade, Heat Recovery, & Wind Power	2003	\$2,500,000
Alaska Village Electric Cooperative	Hooper Bay Wind Project	2004	\$1,156,811
Cordova Electric Cooperative, Inc.	Humpback Creek Hydroelectric Project Repairs	2005	\$1,037,500
Gustavus Electric Company, Inc.	Gustavus Electric Falls Creek Hydroelectric Project	2005	\$1,500,000
Inside Passage Electric Cooperative, Inc.	Line extensions and distribution system efficiency upgrades	2004	\$2,119,517
McGrath Light & Power Co Alaska	Power station efficiency & safety improvements, waste heat recovery, distribution/generation upgrades	2003	\$465,522
Naknek Electric Association, Inc.	Rural power plant upgrade, high efficiency diesel generators and heat recovery system	2004	\$2,618,387
New Koliganek Village Council	Utility Distribution Facility Upgrade	2005	\$250,000
Nome Joint Utility System	Construction of new diesel generation facility, relocation of distribution, generation, and substation facilities	2004	\$2,500,000
Nome Joint Utility System	Completion of new diesel generation & substation	2005	\$2,500,000
<u>Arizona</u>			
The Havasupai Tribal Council	Havasupai Electric Improvement Project	2005	\$2,157,800
The Hualapai Nation	Grand Canyon West Community 250 kW hybrid solar photo-voltaic electric system	2004	\$2,000,000

Sacred Power Corporation	Navajo Nation Cameron Chapter Residential PV/Hybrid Power Stations	2005	\$1,900,000
Tohono O'odham Utility Authority	Distribution system additions to extend electric service to unserved families	2003	\$173,000
Tohono O'odham Tribal Utility Authority	Extension of Electric Service to Unserved Rural Communities	2005	\$763,350
<u>California</u>			
Yurok Tribe	Yurok Tribe Reservation Rural Electrification Project	2003	\$3,000,000
<u>Hawaii</u>			
County of Hawaii, Department of Water Supply	Kaloko Tank Hydroelectric Generation Project, Kailua-Kona,	2005	\$ 450,000
Maui Electric Company, Ltd	Solar for Molokai solar water heating - load reduction program of customer rebates for domestic hot water heating.	2003	\$1,108,548
<u>Idaho-Nevada</u>			
Raft River Electric Cooperative	Duck Valley Indian Reservation transmission line replacement project –	2003	\$3,775,000
<u>Maine</u>			
Fox Islands Electric Cooperative, Inc.	Submarine transmission cable replacement	2003	\$2,633,522
<u>Nevada</u>			
Moapa Band of Paiutes	Moapa-Valley of Fire Power Project Distribution Line Extension **	2005	\$2,382,000
<u>New Mexico</u>			
Sacred Power Corporation	Solar PV and wind hybrid power systems for 50 remote homes, Navajo Nation, Ojo Encino and Torreon Chapters	2004	\$825,108
Sacred Power Corporation	Residential Solar PV hybrid power systems for remote homes, Navajo Nation, Counselor, Pueblo Pintado, and Ramah Chapters	2005	\$661,625
<u>Washington</u>			
P.U.D. No. 1 of Ferry County	Distribution line extensions & solar (PV) for unserved households though a revolving loan fund	2003	\$888,408
