

# American River Water Education Center

Water  
Education

Conservation

The American River Water Education Center, located at Folsom Dam offers an exciting way to experience the watershed of the American River and appreciate the importance of water management. Just off the bike trail and Folsom-Auburn Road, ARWEC also offers a beautiful landscaped garden and picnic grounds.

**Open to the general public**  
**Monday - Friday**  
**Hours: 10:00 - 4:00**

Reservations may be made by contacting our office.
