NOTICE: The OMB control number for the officially approved FORM FNS-663 is 0584-0293. This alternative form may be used by participating State Distributing Agencies and submitted to the appropriate USDA Regional Office by the specified due date.

PURPOSE OF REPORT: The information provided in this report along with nutrition objectives, budgetary factors, and marketing indicators will be used by USDA to:

- (1) Provide commodities that will help program participants meet the Dietary Guidelines for Americans;
- (2) Make purchasing decisions regarding the forms and quantities of commodities to procure for program participants for the applicable fiscal year;
- (3) Improve commodity specifications to ensure that USDA commodities are acceptable to households participating in the Food Distribution Program on Indian Reservations (FDPIR); and
- (4) Identify new products desirable to program participants.

**PLEASE COMPLETE THIS REPORT AND RETURN IT TO YOUR
FNS REGIONAL OFFICE BY APRIL 30, 2004**

NAVIGATION TIPS FOR COMPLETING THIS SCREEN FILLABLE DOCUMENT!!! You can scroll through this fill-in document by using the mouse and the vertical scroll bar on the right side of your screen. Commodity Acceptability Progress Report

Part II – Product Acceptance

6. "TOP FIVE" MOST ACCEPTABLE and LEAST ACCEPTABLE PRODUCTS – BY FOOD GROUP – i.e., Meats, Meat Alternates, Fruits, Vegetables, Grains, and Other Products. The USDA donated commodities listed in Items 6A - 6F of this report were available during this reporting period. For each Food Group, please place an "X" in the column labeled "TOP FIVE MOST ACCEPTABLE PRODUCTS" for no more than FIVE products receiving the highest evaluations by FDPIR households. Also, please place an "X" in the column labeled "TOP FIVE LEAST ACCEPTABLE PRODUCTS" for no more than FIVE products that received the lowest ratings by your households. (Note: In Item 8, Part IV of this report, you will be able to provide feedback to us on how to improve any of our USDA products -- whether they are identified as either Least Acceptable or Most Acceptable in this part.)

Part IV – Product Improvements

8. USDA PRODUCTS THAT NEED TO BE IMPROVED. Please provide a brief explanation of the problems found with each of the Least Acceptable Products identified in items 6A – 6F (Part II) of this report. We would also like to know how USDA can further improve any other products received by FDIIR households during this reporting period, including those identified as Most Acceptable Products in Part II of this report. (Note: For the Block labeled “Problem Codes/No. Of Respondents,” please check all of the problem codes that correspond with codes listed in the “Problem Code Table” shown below. Also, please be sure to enter the 4-digit USDA/FNS “commodity code” and “commodity description” for each product for which you provide comments---see list of commodities/codes in Items 6A-6F).

Problem Code Table (multiple codes may be used below – e.g. 1,2,3,4,5,6)	
<p>1. Overall Product Evaluation – program recipients do not like; too labor intensive.</p> <p>2. Nutrition – too much fat, grease, salt/sodium and/or sugar.</p> <p>3. Quality – bad taste/ flavor; poor texture; too tough; strong aroma/smell, cookability/ mealability problems; or poor appearance.</p>	<p>4. Delivery/Timing - damaged packages/ products; timeliness of deliveries.</p> <p>5. Packaging - poor quality or wrapping; pack size too small, or pack size too large.</p> <p>6. Other (see “Additional Comments” block).</p>

Part V – New Products and General Comments

9. NEW PRODUCTS – (OPTIONAL). Please list no more than FIVE products NOT currently offered by USDA, which at least 25 percent of respondent FDPIR households would be interested in receiving, especially those products that might help them meet the FEDERAL DIETARY GUIDELINES FOR AMERICANS. Also, please list and rank the items in "1-2-3" priority order with "Item 1" representing the product "MOST" preferred by your households along with the number of respondents requesting that product. For the block labeled Planned Usage, click on the applicable field and select only "ONE" item per commodity from the drop-down list that represents the "Primary" way in which the product will be used—e.g., as an Entrée Item, for Sandwiches, etc. (**Note: Please do NOT request any type of condiments such as catsup, mustard, salt, pepper, etc. since USDA does not purchase such items.**)
