

InStep, Infosys's Global Internship Program – Explore your potential with a company of the future!

"Through my internship at Infosys, I have come to understand and appreciate first hand the power of a company to change the world—to transform the ambitions of a nation and to reconfigure the world's understanding of business in a global economy. I believe that the skill and understanding I have developed here has deeply enriched me personally and will empower me professionally throughout my career." - Eugenie Rosenthal, MBA Candidate 2008, Stanford Graduate School of Business

Dear Student,

Greetings from Infosys! I would like to cordially invite you to a presentation on an internship opportunity with Infosys, a company delivering technology-led business solutions in the flattening world.
