

Introduction to the Choosers Letter

What Is the Purpose of This Letter?

This letter lets people know that their plan's premium will be above the regional low-income premium subsidy amount in 2009, and that they will have to pay a portion of their plan's premium each month out-of-pocket unless they join a new plan by December 31, 2008.

The letter is printed on both sides of tan paper. The front page is the letter. On the back of the letter is a list of plans for each region that have premiums at or below the low-income premium subsidy amount.

Who Gets This Letter?

Medicare will mail this letter to people who qualify for the full premium subsidy and who chose to join a Medicare Drug Plan that was "free" (no premium liability) when they first joined, but whose premium will be above the regional low-income premium subsidy amount in 2009. These people are not subject to re-assignment by Medicare because they chose to join a plan on their own or switched to a different Medicare Prescription Drug Plan than the one Medicare enrolled them in.

When Do People Get This Letter?

The letter will be mailed by early November.

What Should People Do Next?

People with Medicare should consider their options carefully. If they don't join a new plan by December 31, 2008, they will face a premium liability. People who want more information about Medicare prescription drug coverage can do the following:

- Visit www.medicare.gov and get personalized drug plan information. If they don't have computers, their local libraries or senior centers may be able to help them look at this information.
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.
- Call their State Health Insurance Assistance Program (SHIP) for free personalized health insurance counseling. See the "Medicare & You" handbook or call 1-800-MEDICARE for the telephone number for their state.

People can reference CMS Publication No. 11267 when calling Medicare or their SHIP with questions about this letter.

Below is a list of Medicare drug plans for which you will pay no premium in 2009. You should join one of these plans by December 31, 2008, if you don't want to stay in your current plan. If you decide to switch plans, sign up with the new plan early in the month. This gives the plan time to mail your membership card, acknowledgement letter, and welcome package.

For each plan listed, you will find the name of the organization offering the plan, the plan name, and telephone number. Compare the plans and join one that works for you. If you call the plans to compare them, you should find out which plans cover the prescriptions you take, how much your prescriptions will cost, and what pharmacies you can use to fill prescriptions.
