# 12 Kansas Wineries ...and growing!!

## 11 Dozier VINEYARD AND WINERY, LLC

The abundance of Kansas sunshine is conducive to grape growing and wine you will love. Dozier Vineyard and Winery is located on 48 acres of beautiful woods, footpaths and picnic areas. Dozier offers a picturesque, remodeled Santa Fe Depot that is rumored to be the home of a ghost in her bridal finest. Whether looking for hiking or a leisurely stroll on the grounds, Dozier is a great spot for a visit.

## 10 Windswept WINERY

Dedicated to the art and science of grape growing and wine making, you are invited to taste the premium quality French hybrid wines made at Windswept Vineyard and Winery. Situated amid six acres of grapes and thornless blackberries, this small family winery is dedicated to gently handcrafted artisan wines, produced from the wonderful fruit grown and tended on-site. White, Red, Blush and some fruit wines are available for the most discriminating palate. All wines are available for sampling in the tasting area and gift shop.

The Panache room is perfect for destination weddings, corporate outings, Christmas parties, clubs, or family gatherings with style. Free vineyard and winery tours are available.

## 9 Wyldewood Cellars WINERY AND GIFT SHOP

Family owned and operated, Wyldewood Cellars specializes in bringing native Kansas fruit to the market by producing premium wines, jellies and syrups. Five sweetness levels are produced to accommodate every individual taste, with new wines developing from various Kansas fruit regularly.

Call for a free guided tour and then take a moment to enjoy a taste of the delicious wines at the tasting bar. The gift shop features Wyldewood Cellar products, gift ideas and a free tasting bar.

## 12 Smoky Hill VINEYARDS AND WINERY

Dry Chablis; clarets rich in oak and tannins; light refreshing semi-dry blushes; and sweet dessert wines are all made possible with abundant sunshine, rich soils, excellent wine-making skills and the finest equipment available. Smoky Hill Vineyards and Winery currently produces 27 distinct wines from the fruit grown at the vineyard. All wines are available for tasting in the vineyard's rustic tasting room.

Friday evening gourmet dinners, weddings, receptions, reunions, festivals and private parties are held throughout the year.

## 5 Kugler's VINEYARD

The vineyard boasts several great features including "pick your own" grapes in August and September and fresh juice during harvest. Several varieties of grapes have been planted on two acres since the spring of 1996 including Niagara, Concord, Vidal, Seyval, and Cynthiana. Wine is available to purchase year round and the vineyard is available for private tours. Call or e-mail to make an appointment most Saturdays and evenings.

## 2 Slough Creek VINEYARD AND WINERY

Opened in January of 2005, Slough Creek Vineyard is a true farm winery making grape wines and mead (honey wine) from 100% locally grown products. Located in rural Jefferson County, this small but growing vineyard and winery offers seedless table grapes and black berries in addition to its unique wines. There is a nature trail to stretch your legs between tastings. A short drive from Topeka, Lawrence, and Kansas City makes this little winery a pleasant afternoon outing.

## 1 Heimhof WINERY AND GIFT SHOP

Opened in 1992, Heimhof Winery offers a variety of red and white wines. A majority of the wines are from locally grown grapes and include Seyval Blanc and Vidal Blanc French hybrids, as well as American varietals such as Concord, Catawba, Niagara, Diamond and Edelweiss.

Groups can enjoy free tasting, tours of the winery, and a beautiful gift shop open by appointment. The winery is available for meetings, picnics and other social events in the outdoor, lighted pavilion. An ideal place for entertaining or just relaxing in a beautiful pastoral setting, the winery is located just south of Leavenworth.

## 3 Holy-Field VINEYARD AND WINERY

Holy-Field Vineyard and Winery is a small, family owned winery. The 30-acre Holy-Field Estate includes a 14-acre vineyard planted with native American and French hybrid varietals. Emphasis is placed on growing superior grapes in the vineyard; and this same commitment is blended into each bottle of Holy-Field wine.

The tasting room and gift shop are open seven days a week. Facilities, including the wine deck overlooking the vineyard, are available for private parties and meetings.

## 8 Burgess FARM WINERY

Burgess Farm Winery is family owned and operated. Located just outside Harveyville, wines are made from the fruit, grapes and small berries at the farm. The tasting room is open noon to 6 p.m. daily or by appointment. Guests are invited to sample the wines and tour the grounds and several acres of orchards. Burgess Winery is a great experience for the whole family.

## 4 Davenport ORCHARD, VINEYARD & WINERY

Davenport Vineyard and Winery is located east of Lawrence in the Kaw Bottoms area. C.W. and Mary Davenport started the orchard in 1960. The winery opened commercially in August of 1997. The Davenport vintner is dedicated to making great wine from Kansas grown fruit with minimal intervention to allow the wine to express itself freely. Wines produced are: French hybrid and American grape wines; apple, peach and pear fruit wines; and other specialty wines including rhubarb and blackberry.

The winery and tasting room are open on a limited schedule, so please phone ahead to check wine availability and sales hours. "Vino gratia agricolae"

## 6 Pome on the Range ORCHARDS AND WINERY

Pome on the Range Orchards & Winery is open year around. Our specialty is apple wine and apple blend wines including Apple Cherry, Apple Cranberry, Apple Strawberry, Apple Red Raspberry, and Apple Black Raspberry in various sweetnesses. We also have a wonderful peach wine. Other varieties available include: Blackberry, Blueberry, Elderberry and Sand Plum. Pome on the Range is also a working orchard and offers tours, private parties, a picnic area, a large Fall Fest and free wine tasting.

## 7 Somerset Ridge VINEYARD AND WINERY

Somerset Ridge Vineyard & Winery is located on a beautiful hillside near the small township of Somerset, in Miami County. The vineyard was planted in 1998; and the winery was established in 2001. Traditional vinifera grapes are grown as well as French hybrids. A full range of red and white wines, from dry to dessert style, are produced from these grapes. The winery is currently a production-only facility that is not open to the public. Private tours of the vineyard, are available.
