

## *May 7, 2008 - Workshop in Stafford:* **Nontidal Wetlands: RPA Feature or Not?**

The Department of Conservation & Recreation, Division of Chesapeake Bay Local Assistance is offering a workshop to explain the procedures for determining nontidal wetland features subject to the Chesapeake Bay Preservation Act, as outlined in the new DCR Nontidal Wetland Guidance.

This third workshop, intended for local government staff from northern Virginia (NVRC, GWRC, MPPDC) localities, will be given at the Stafford County Government Center. The morning presentations will provide training on the new DCR non-tidal guidance, entitled "Resource Protection Areas: Nontidal Wetlands." A lunch will be provided.

Registration will begin at 9:30 am. The morning training session will go until about noon when a lunch will be provided. This workshop is free to Chesapeake Bay local program staff, but you must return the following completed registration form by
