# CSP Enhancement Certification Sheet

## Particulate Matter

### Participant Acknowledgement Statement:

I agree to apply this enhancement under the terms and conditions of my CSP contract and understand the requirements of the activity.

This enhancement requires a participant to implement and/or maintain two or more of the following activities that relate to their operation/enterprise. **Note:** If the participant selects another air quality enhancement, the participant will only be paid once for implementing and/or maintaining a particular activity if such activity is required in both enhancements.

### Activities applicable to all enterprises:

- Treat unpaved roads with dust suppressant
- Implement, maintain, and enhance windbreaks to disrupt wind flow and dilute, intercept, and filter concentrations of particulate matter in the air

### Activities applicable primarily to animal feeding enterprises:

- Handle animal mortality offsite at an approved incineration facility, or with an approved incinerator

I agree that the following information will be provided to NRCS upon request:

- Written documentation of the activities performed (use attached worksheets or equivalent)
- Copies of dated receipts for equipment or services purchased

I understand that it is my responsibility to obtain all necessary permits and to comply with all laws, regulations and ordinances pertaining to the application of these activities.
