

2008 Tri-State Women in Agriculture Fall Gathering
November 14-16
[YMCA Camp Pepin](#)
Stockholm, WI.

Come reconnect with old friends and meet new ones at this workshop and retreat! The cost will be \$99 - this will include two nights lodging and meals on Saturday morning and evening and Sunday morning.

Workshop topics will include felting, eco-preneuring and making your own knitting needles. There will be a virtual farm tour from each state--Iowa's will feature Denise O'Brien's farm.

We are planning a potluck for Saturday noon, so please bring your best potluck dish along with the recipe for others to try.

Every year there is a silent auction to help defray costs of the weekend and to allow us to offer scholarships to participants. Please bring an item from your area that you are willing to donate to the silent auction. Some items in the past have included home crafted baskets, soaps, stationery, popcorn, wine, food items and gift certificates for a bed and breakfast stay – whatever you are willing to contribute.

Plan on arriving on Friday between 5 and 7 p.m. We will spend the evening getting to know each other and sharing what has happened over the past year. There will be virtual farm tours and several workshops to choose from throughout the weekend.

We would like to extend a special invitation to mothers who would like to bring their daughters. We have done this in the past and have enjoyed having several generations present.

Please contact [Stacey Brown](#) or 515-231-1199 for more information or to register.
