## Table of Contents

---

---

Section 1	Study Design and Methodology
Section 2	Local Agency Tables
Section 3	Standard Errors Tables
Section 4	State Agency Tables
Section 5	Sampling and Estimation
Section 6	Survey Instrumentation

## List of Tables

### Page No.

#### Section II

1	Number and Percentage of Agencies and of Participants by Agency Size . . . . .	II-1
2	Number and Percentage of Agencies and of Participants by Percentage Growth . . . . .	II-2
3	Number and Percentage of Agencies and of Participants by Agency Sponsorship . . . . .	II-3
4	Number and Percentage of Agencies and of Participants by Catchment Area . . . . .	II-5
5	Number and Percentage of Agencies and of Participants by Ethnic Populations Served . . . . .	II-7
IA.6	Number and Percentage of Agencies and of Participants by Caseload Change Since 1988 and Ethnic Populations Served . . . . .	II-13
IB.6	Number and Percentage of Agencies and of Participants by Operating Capacity and Ethnic Populations Served . . . . .	II-19
6	Number and Percentage of Agencies and of Participants by Size of WIC Local Agency . . . . .	II-25
7	Number and Percentage of Agencies and of Participants by Perceived Caseload Change Since 1988 and Actual Growth . . . . .	II-26
8	Number and Percentage of Agencies and of Participants by Caseload Change Since 1988 and Agency Sponsorship . . . . .	II-27
9	Number and Percentage of Agencies and of Participants by Caseload Change Since 1988 and Catchment Area . . . . .	II-28
10	Number and Percentage of Agencies and of Participants by Caseload Change Since 1988 and Ethnic Populations Served . . . . .	II-30
11	Number and Percentage of Agencies and of Participants by Operating Capacity and Agency Size . . . . .	II-36
12	Number and Percentage of Agencies and of Participants by Operating Capacity and Percentage Growth . . . . .	II-37
13	Number and Percentage of Agencies and Affected Participants by Agencies' Perceived Impact of Caseload Fluctuations . . . . .	II-39
14	Number and Percentage of Agencies and Affected Participants by Agencies' Perceived Impact of Factors Related to Economic Factors . . . . .	II-40
15	Number and Percentage of Agencies and Affected Participants by Agencies' Perceived Impact of New Program Requirements . . . . .	II-42
16	Number and Percentage of Agencies and Affected Participants by Agencies' Perceived Impact of Other Initiatives and Factors . . . . .	II-43
17	Number and Percentage of Agencies and Affected Participants by Percentage of Clinics/Sites Within Agency Having Selected Operating Characteristics . . . . .	II-45
18	Number and Percentage of Agencies and Affected Participants in Agencies by Use of Vans, Mobile Units, or Other Motorized Facilities . . . . .	II-46
19	Number and Percentage of Agencies and Affected Participants by Whether the Agencies Uses Non-WIC Funded Medical Providers for Certification and Consulting Staff to Provide WIC Services . . . . .	II-47

## List of Tables (continued)

		<u>Page No.</u>
20	Number and Percentage of Agencies and Affected Participants by Use of Consultants or Contracting Staff to Provide WIC Services . . . . .	II-48
21	Number and Percentage of Agencies and Affected Participants by Use of Itinerant Professional, Paraprofessional, or Clerical/Support Staff . . . . .	II-49
22	Number and Percentage of Agencies and Affected Participants by Agency Non-Labor Items and Funding Source . . . . .	II-50
23	Number and Percentage of Agencies and Affected Participants by Sufficiency and Appropriateness of Professional, Paraprofessional, and Clerical Support Staff . . . . .	II-51
24	Number and Percentage of Agencies and Affected Participants by Ratio of Vacant Positions to Current Full-Time Employees for Professional, Paraprofessional, and Clerical/Support Staff . . . . .	II-53
25	Number and Percentage of Agencies and Affected Participants by Degree of Difficulty Experienced by Agency in Recruiting Professional, Paraprofessional, and Clerical/Support Staff . . . . .	II-54
26	Number and Percentage of Agencies and Affected Participants by Degree of Difficulty Experienced by Agency in Retaining Professional, Paraprofessional, and Clerical/Support Staff . . . . .	II-55
27	Number and Percentage of Agencies and Affected Participants by Perceived Reasons for Not Filling Vacant Positions . . . . .	II-56
28	Number and Percentage of Agencies and Affected Participants by Perceived Reasons for Not Retaining Staff . . . . .	II-58
29	Number and Percentage of Agencies and Affected Participants by Languages Available at Agency . . . . .	II-59
30	Number and Percentage of Agencies and Affected Participants by Perceived Adequacy of Current Space . . . . .	II-61
31	Number and Percentage of Agencies and Affected Participants by Type of Service and Estimated Typical Number of Minutes Waiting for Service . . . . .	II-62
32	Number and Percentage of Agencies and Affected Participants by Type of Service and Estimated Typical Number of Minutes Receiving Service . . . . .	II-63
33	Number and Percentage of Principal Clinics by Method of Obtaining Hematological Measurements . . . . .	II-64
34	Number and Percentage of Principal Clinics by Specified Health Services Available on Site . . . . .	II-65
35	Number and Percentage of Principal Clinics by Specified Non-Health Referral Services Available on Site . . . . .	II-66
36	Number and Percentage of Principal Clinics by Opportunity to Apply for Selected Non-Health Services on Site . . . . .	II-67
37	Number and Percentage of Principal Clinics in Which Obtaining Health Care and Non-Health Care Services is a Problem . . . . .	II-68
38	Number and Percentage of Agencies by Reported Problems in Referring Clients to Other Agencies . . . . .	II-69

## List of Tables (continued)

	<u>Page No.</u>
39	Number and Percentage of Agencies by Ratio of Type of Nutrition Staff to Total Nutritional Staff Levels . . . . . II-70
40	Number and Percentage of Agencies and Affected Participants by Topics Covered and Methods Used . . . . . II-71
41	Number and Percentage of Agencies and Affected Participants by Whether Nutrition Services Covered by Medicaid . . . . . II-73
42	Number and Percentage of Agencies and Affected Participants by Frequency of Nutrition Education Contacts . . . . . II-74
43	Number and Percentage of Agencies and Affected Participants by Group Size for Providing Nutrition Education . . . . . II-75
44	Number and Percentage of Agencies and Affected Participants by Use of Nutrition Education Materials and Methods . . . . . II-76
45	Number and Percentage of Agencies and Affected Participants by Use of Nutrition Education Materials and Methods . . . . . II-78
46	Number and Percentage of Agencies and Affected Participants by Factors that May Act as Barriers to Providing High Quality Nutrition Education . . . . . II-80
47	Number and Percentage of Agencies by Children Provided Nutrition Education . . . . . II-81
48	Number and Percentage of Agencies and Affected Participants by Factors Ranked Most Often as Promoting High Quality WIC Services . . . . . II-82
49	Number and Percentage of Agencies and Affected Participants by Factors Ranked Most Often as Hindering High Quality WIC Services . . . . . II-84
50	Number and Percentage of Agencies and Affected Participants by Changes in Certification Practices Since 1988 . . . . . II-86
51	Number and Percentage of Agencies and Affected Participants by Changes in Nutrition Education Practices Since 1988 . . . . . II-88
52	Number and Percentage of Agencies and Affected Participants by Changes in Food Instrument Practices Since 1988 . . . . . II-90
53	Number and Percentage of Agencies and Affected Participants by Changes in Scheduling Practices . . . . . II-92
54	Number and Percentage of Agencies and Affected Participants by Changes in Staffing Practices Since 1988 . . . . . II-94
55	Number and Percentage of Agencies and Affected Participants by Changes in Waiting List Practices Since 1988 . . . . . II-96
56	Number and Percentage of Agencies and Affected Participants by Changes in Administrative Practices and Operations Since 1988 . . . . . II-97
57	Number and Percentage of Agencies and Affected Participants by Changes in Facilities Since 1988 . . . . . II-99
58	Number and Percentage of Agencies and Affected Participants by Other Changes Made Since 1988 . . . . . II-100
59	Number and Percentage of Agencies and Affected Participants by Degree of Change in Funding Sources for Labor and Non-Labor Items Compared to 1988 . . . . . II-101

## List of Tables (continued)

		<u>Page No.</u>
60	Number and Percentage of Agencies and Affected Participants by Degree of Change in Number and Appropriateness of Staff .....	II-103
61	Number and Percentage of Agencies and Affected Participants by Degree of Change Perceived in Recruiting and Retaining Staff .....	II-105
62	Number and Percentage of Agencies and Affected Participants by Degree of Change in Space Since 1988 .....	II-106
63	Number and Percentage of Agencies and Affected Participants by Degree of Change in Waiting Time and Time Spent Receiving Specific Services .....	II-107
64	Number and Percentage of Principal Clinics by Degree of Change in Staff Time Spent on Referrals .....	II-109
65	Number and Percentage of Agencies and Affected Participants by Degree of Change in the Quality of Nutrition Education Since 1988 .....	II-110
66	Number and Percentage of Agencies and Affected Participants by Degree of Change in Caseload Since 1988 .....	II-111

### Section III

1	Standard Errors of Agencies and of Participants by Percentage Growth .....	III-1
2	Standard Errors of Agencies and of Participants by Size of WIC Local Agency .....	III-2
3	Standard Errors of Agencies and of Participants by Caseload Change Since 1988 and Agency Sponsorship .....	III-3
4	Standard Errors of Agencies and of Participants by Operating Capacity and Percentage Growth .....	III-4
5	Standard Errors of Agencies and Affected Participants by Agencies' Perceived Impact of Caseload Fluctuations .....	III-6
6	Standard Errors of Agencies and Affected Participants by Agencies' Perceived Impact of Factors Related to Economic Factors .....	III-7
7	Standard Errors of Agencies and Affected Participants by Agencies' Perceived Impact of New Program Requirements .....	III-8
8	Standard Errors of Agencies and Affected Participants by Agencies' Perceived Impact of Other Initiatives and Factors .....	III-9
9	Standard Errors of Agencies and Affected Participants by Percentage of Clinics/Sites Within Agency Having Selected Operating Characteristics .....	III-11
10	Standard Errors of Agencies and Affected Participants by Sufficiency and Appropriateness of Professional, Paraprofessional, and Clerical Support Staff .....	III-12
11	Standard Errors of Agencies and Affected Participants by Ratio of Vacant Positions to Current Full-Time Employees for Professional, Paraprofessional, and Clerical/Support Staff .....	III-14

## List of Tables (continued)

	<u>Page No.</u>
12	Standard Errors of Agencies and Affected Participants by Degree of Difficulty Experienced by Agency in Recruiting Professional, Paraprofessional, and Clerical/Support Staff . . . . . III-15
13	Standard Errors of Agencies and Affected Participants by Degree of Difficulty Experienced by Agency in Retaining Professional, Paraprofessional, and Clerical/Support Staff . . . . . III-16
14	Standard Errors of Agencies and Affected Participants by Languages Available at Agency . . . . . III-17
15	Standard Errors of Agencies and Affected Participants by Perceived Adequacy of Current Space . . . . . III-19
16	Standard Errors of Agencies and Affected Participants by Type of Service and Estimated Typical Number of Minutes Waiting for Service . . . . . III-20
17	Standard Errors of Agencies and Affected Participants by Type of Service and Estimated Typical Number of Minutes Receiving Service . . . . . III-21
18	Number and Percentage of Principal Clinics by Method of Obtaining Hematological Measurements . . . . . III-22
19	Number and Percentage of Principal Clinics by Specified Health Services Available on Site . . . . . III-23
20	Number and Percentage of Principal Clinics by Specified Non-Health Referral Services Available on Site . . . . . III-24
21	Number and Percentage of Principal Clinics by Opportunity to Apply for Selected Non-Health Services on Site . . . . . III-25
22	Number and Percentage of Principal Clinics in Which Obtaining Health Care and Non-Health Care Services is a Problem . . . . . III-26
23	Standard Errors of Agencies by Reported Problems in Referring Clients to Other Agencies . . . . . III-27
24	Standard Errors of Agencies and Affected Participants by Topics Covered and Methods Used . . . . . III-28
25	Standard Errors of Agencies and Affected Participants by Frequency of Nutrition Education Contacts . . . . . III-30
26	Standard Errors of Agencies and Affected Participants by Group Size for Providing Nutrition Education . . . . . III-31
27	Standard Errors of Agencies and Affected Participants by Use of Nutrition Education Materials and Methods . . . . . III-32
28	Standard Errors of Agencies and Affected Participants by Use of Nutrition Education Materials and Methods . . . . . III-34
29	Standard Errors of Agencies and Affected Participants by Factors that May Act as Barriers to Providing High Quality Nutrition Education . . . . . III-36
30	Standard Errors of Agencies and Affected Participants by Changes in Certification Practices Since 1988 . . . . . III-38
31	Standard Errors of Agencies and Affected Participants by Changes in Nutrition Education Practices Since 1988 . . . . . III-40
32	Standard Errors of Agencies and Affected Participants by Changes in Food Instrument Practices Since 1988 . . . . . III-42

## List of Tables (continued)

	<u>Page No.</u>
33 Standard Errors of Agencies and Affected Participants by Changes in Scheduling Practices .....	III-44
34 Standard Errors of Agencies and Affected Participants by Changes in Staffing Practices Since 1988 .....	III-46
35 Standard Errors of Agencies and Affected Participants by Changes in Waiting List Practices Since 1988 .....	III-48
36 Standard Errors of Agencies and Affected Participants by Changes in Administrative Practices and Operations Since 1988 .....	III-49
37 Standard Errors of Agencies and Affected Participants by Changes in Facilities Since 1988 .....	III-51
38 Standard Errors of Agencies and Affected Participants by Other Changes Made Since 1988 .....	III-52

### Section IV

1 Number and Percentage of State Agencies by Selected Service Characteristics .....	IV-1
2 Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Percentage Growth in Participation Since 1988 .....	IV-3
3 Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Agencies' Perceived Impact of Caseload Fluctuations .....	IV-4
4 Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Agencies' Perceived Impact of Economic Factors .....	IV-5
5 Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Agencies' Perceived Impact of New Program Requirements .....	IV-7
6 Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Agencies' Perceived Impact of Other Initiatives and Factors .....	IV-9
7 Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Other Non-Federal Sources of Funding for WIC .....	IV-11
8 Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Whether Unspent State-Appropriated Funds Can be Carried Forward .....	IV-12
9 Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Change in the Availability and Amount of Funding from Other Non-Federal Sources Since 1988 .....	IV-13

## List of Tables (continued)

	<u>Page No.</u>
10	Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Whether State Agency Uses an Administrative Cost Per Participant to Allocate Administrative Funds . . . . . IV-14
11	Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Methods Used to Compute Administrative Funding for Local Agencies . . . . . IV-15
12	Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Funding Allocation Practices . . . . . IV-16
13	Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Funding Allocation Practices . . . . . IV-17
14	Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Methods for Allocating Caseload . . . . . IV-18
15	Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Methods for Allocating Caseload . . . . . IV-19
16	Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Factors Used in Assigning Caseload Increases or Decreases to a Local Agency . . . . . IV-20
17	Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Most Frequently Used Method for Allocating Caseload Under Conditions of Rapid Growth . . . . . IV-23
18	Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Whether State Agency Developed Participant-to-Staff Ratios Are Used . . . . . IV-24
19	Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Identification of Local WIC Staff Employer . . . . . IV-26
20	Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by the Presence of Program Performance Standards . . . . . IV-27
21	Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by the Presence of Performance Standards for Nutrition Education . . . . . IV-27
22	Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by the Use of Program Performance Standards . . . . . IV-28
23	Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by State Sponsorship of Breastfeeding Promotional Activities . . . . . IV-29
24	Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Food Voucher or Instrument Practices . . . . . IV-30
25	Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Food Voucher or Instrument Practices . . . . . IV-31
26	Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Proportion of Agencies Using PC or Mini-Computers Versus Mainframe Computers . . . . . IV-32

## List of Tables (continued)

	<u>Page No.</u>
27	Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Current Usage of Automation for WIC Functions . . . . . IV-33
28	Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Shifts in Automated Processing Since 1988 . . . . . IV-35
29	Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Shift in Type and Location of Computer Equipment Since 1988 . . . . . IV-36
30	Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Perceived Effect of Automation on Productivity and Quality of Program . . . . . IV-38
31	Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Change in WIC Coordination With Other Programs Since 1988 . . . . . IV-39
32	Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by State Program Initiatives and Activities . . . . . IV-40
33	Number and Percentage of State Agencies, Affected Local Agencies, and Affected Participants by Current Capacity at Which Local Agencies in State Are Operating . . . . . IV-42
34	Number and Percentage of State Agencies Reporting Major Changes in State Operations Since 1988 . . . . . IV-43
35	Number and Percentage of State Agencies by Factors Ranked Most Often as Promoting High Quality WIC Services . . . . . IV-49
36	Number and Percentage of State Agencies by Factors Ranked Most Often as Hindering High Quality WIC Services . . . . . IV-50
