Overview:

Meaningful Work Experience

The employees that work here often feel privileged to have the opportunity to live in and work in this wonderful and unique cultural and challenging environment where they can grow and expand their horizons. Those that come to a place called Bethel, Alaska will also experience 58 villages that span a territory the size of Oregon.

Compensation & Benefits

Benefits are excellent with extremely low co-pays for full health insurance. A single person pays just \$13 bi-weekly, a family \$39 bi-weekly. The retirement plan is outstanding with a matching program in addition to a generous amount put in your retirement for each and every employee. We have a signing and retention bonus listed under the compensation section. A very competitive relocation package offered.

Eligibility for Loan Repayment up to \$20,000.00 per Year

In order to help assist these underserved people, the Indian Health Services (IHS) has loan repayment programs available. Loan repayment is not guaranteed with offer of employment, as all employees must apply directly through Indian Health Services.
