

NOTICE: LABORATORY DELAYED OPENING OR CLOSURE DUE TO INCLEMENT WEATHER (November through March)

The safety of our employees is the Laboratory's #1 priority. Like other government offices and schools, we sometimes have a delayed opening or possible closure due to snow.

In the event of inclement weather, please call (505) 667-6622 or 1-877-723-4101 (toll free) to hear a recorded Laboratory update message. This message is normally updated by 5:30 a.m. if there is a closure or delay for that business day.

If there is a **delayed** opening for the Laboratory you will report to the Bradbury Science Museum at the indicated opening time. Opening time will be announced in the recorded message.

If a **closure** is announced by the Laboratory, you will hire on the following morning at the Bradbury Science Museum beginning promptly at 8:30am.

Thank you.
