Purdue Pesticide Programs

2009 Pesticide Applicator Training

Registration Fee

The fee is \$90 plus shipping, per person, per program. Personal or company checks, money orders, purchase orders, and MasterCard, VISA, or Discover cards are accepted. The fee includes study materials, but not meals or lodging. Preregistration is requested. Refunds will be granted only for extenuating circumstances. Purdue Pesticide Programs reserves the right to cancel programs at any time. Purdue University is not responsible for costs incurred due to cancellation.

Study Materials

Upon receipt of the registration fee, a training manual will be sent to the address provided on the registration form. Late registrants may pick up their manuals at the registration table on the day of training. Training will be geared toward those who have studied the manual in advance of training.

Program Schedule

Training programs will begin at 8:30 a.m. (local time). Trainees should arrive between 7:30 and 8:25 a.m. to finalize registration. Programs will conclude at approximately 3:30 p.m., with the exam offered immediately thereafter.

Photo Identification

The Office of the Indiana State Chemist requires that all persons taking a certification exam present a government issued photo ID to the test proctor. This includes any valid state driver license, military identification, passport, state issued identification card, or federal agency identification. No other identification will be accepted.

Purdue University is an equal access/
equal opportunity institution.
