Community Advisory Board for Nevada Test Site Programs Public Meeting in Pahrump, Nevada

A public meeting hosted by the Community Advisory Board (CAB) for Nevada Test Site programs is scheduled from 6:30 - 9:00 p.m., Wednesday, February 8, 2006, at the Bob Ruud Community Center, 150 Highway 160, Pahrump, NV. CAB members will kick off the evening from 6:30-7:00 p.m. with "The CAB Roadshow," a presentation designed to explain the goals and objectives of the CAB. The CAB will also provide the community with an update on radioactive waste management activities at the Nevada Test Site and explain the current membership recruitment campaign.

The CAB is comprised of volunteer citizens who provide the U.S. Department of Energy National Nuclear Security Administration Nevada Site Office's Environmental Management Program with informed recommendations on environmental activities at the Nevada Test Site. The CAB sponsors four advertised public meetings a year and is chartered under the U.S. Department of Energy's Environmental Management Site Specific Advisory Board.

All CAB meetings are open to the public and the public is encouraged to actively participate. For additional information on CAB meetings or activities, visit the CAB website <http://www.ntscab.com> or email NTSCAB@aol.com.
