What facilities are included in this data collection?

Confinement facilities usually administered by a local law enforcement agency, intended for adults but sometimes holding juveniles.

- **INCLUDE** all jails and city/county correctional centers that hold inmates beyond arraignment. Report data on ALL inmates, including those held in separate holding or lockup areas within your facility.
- **INCLUDE** special jail facilities (e.g., medical/treatment/release centers, halfway houses, and work farms).
- **EXCLUDE** facilities that are exclusively used as temporary holding or lockup facilities from which inmates are usually transferred within 72 hours and not held beyond arraignment.
- **EXCLUDE** privately-operated jails and facilities operated by two or more jurisdictions, i.e., multi-jurisdictional facilities. (These jails will be contacted directly for data on deaths in their custody.)

Burden statement

Under the Paperwork Reduction Act, we cannot ask you to respond to a collection of information unless it displays a currently valid OMB control number. The burden of this collection is estimated to average 15 minutes per response, including reviewing instructions, searching existing data sources, gathering necessary data, and completing and reviewing this form. Send comments regarding this burden estimate or any aspect of this survey, including suggestions for reducing this burden, to the Director, Bureau of Justice Statistics, 810 Seventh Street, NW, Washington, DC 20531. Do not send your completed form to this address.

INMATE COUNTS AND DEATHS

1. How many persons under the supervision of your jail jurisdiction were –

a. CONFINED in your jail facilities on December 31, 2004

- INCLUDE persons on transfer to treatment facilities but who remain under your jurisdiction.
- INCLUDE persons out to court while under your jurisdiction.
- INCLUDE persons held for other jurisdictions.
- EXCLUDE persons housed in facilities operated by two or more jurisdictions or those held in privately operated jails.
- EXCLUDE inmates on AWOL, escape, or long-term transfer to other jurisdictions.
- EXCLUDE all persons in non-residential community-based programs run by your jails (e.g., electronic monitoring, house arrest, community service, day reporting, work programs).
- When exact numeric answers are not available, provide estimates and mark (X) in the box beside each figure.

2. Between January 1, 2004, and December 31, 2004, what was the average daily population of all jail confinement facilities operated by your jurisdiction?

- To calculate the average daily population, add the number of persons for each day during the period January 1, 2004 through December 31, 2004, and divide the result by 366.
- If daily counts are not available, estimate the average daily population by adding the number of persons held on the same day of each month and divide the result by 12.
- If average daily population cannot be calculated as directed above, then estimate the typical number of persons held in your jail confinement facilities each day.
- When exact numeric answers are not available, provide estimates and mark (X) in the box beside each figure.
