

NATIONAL SCIENCE FOUNDATION

Directorate for Geosciences

Division of Earth Sciences

Memorandum

To: Dr. Jarvis Moyers, AAD/GEO *JM*
Via: Dr. Arthur Goldstein, DD/EAR *AG*
From: Dr. David Lambert *DRL*
Program Director, EAR/IF
Date: April 10, 2007
Regarding: Proposed Members of the EAR/IF Committee of Visitors

The EAR *Instrumentation & Facilities* Program suggests the following individuals to serve as the Committee of Visitors for the review of this Program on August 22-24, 2007:

Dr. Susan Beck, University of Arizona, Tucson
*Dr. Raymond Jeanloz, University of California-Berkeley
Dr. Michael Lisowski, U.S. Geological Survey, Vancouver, WA
Dr. Juan Lorenzo, Louisiana State University, Baton Rouge
Dr. Claudia Mora, University of Tennessee-Knoxville
Dr. Donald Rimstridt, Virginia Tech, Blacksburg
Dr. Steven Shirey, Carnegie Institution of Washington, D.C.
Dr. Seth Stein, Northwestern University, Chicago, IL
Dr. Karl Wirth, Macalester College, St. Paul, MN

All nine have been contacted and are willing to serve. In addition, Dr. Raymond Jeanloz, a member of AC/GEO, has indicated that he is willing to chair the COV. The proposed list includes two females, three individuals who have not had IF support or submitted any IF proposals in the last five years, one individual from a predominantly undergraduate institution, one individual from an EPSCoR state, one minority scientist, and one individual from another federal agency. Other female and minority scientists were contacted, but were unavailable to serve on the COV.

We ask your approval of the proposed COV membership.
