Subject: Expanded Mileage for Farm Vehicles

On August 14, 2008 the Governor signed the Dairy Farm Preservation Act (St. 2008 c. 310). This bill contains extensive measures to assist not only dairy farmers but farms in general. One such provision amends Section 9 of c. 90¹ by extending the number of miles a farm vehicle may travel on the Commonwealth's roads from two miles to ten miles.

Written notification was sent out to all appropriate local authorities throughout the Commonwealth of this change.
