

The 28th Annual Guelph Organic Conference, Expo & Tasting Fair

is for Opportunity

Guelph University Centre
January 22-25, 2009
(Expo Jan. 24-25)

- **The Expo/Tasting Fair** on January 24–25 is free to consumers and to all enthusiasts who want to meet organic food suppliers face-to-face. **Students:** Eco-Scholar Program (inquire).
- See almost 170 booths, including over 30 **organic food samplers** and dozens of other vendors selling **organic books, seeds and garden supplies**.
- Plan to attend some of the **30 paid workshops** on topics such as organic vegetable production, land trusts, organic venture capital, ecovillages, green claims and careers in organics.
