December 15, 2008

Dear Colleagues,

The Utah Weed Control Association will hold its annual conference on February 18 and 19, 2009. The conference will be held in Cedar City at the Festival Hall and Heritage Center at 105 North 100 east. We do not have an agreement with a motel so you can stay wherever you want. A list of motels in Cedar City can be found on the internet at: www.cedarcityhotels.net.

Again in 2009, we will start at 1 p.m. on the 18th and conclude about 4:30 on the afternoon of the 19th. The registration information is available on our web page at www.utahweed.org. The registration fee for the conference will be \$65.

The theme this year will be Integrated Weed Management Principles. Our vice president, Bill Gilson, is putting together an informative program which we think you will all enjoy. There will be a good number of pesticide applicator CEU's available.

Recognizing and honoring UWCA members for their meritorious service is an important part of our annual conference. Please respond promptly to the enclosed invitation to nominate deserving individuals and teams for UWCA awards. They need to be returned to the awards committee by January 15, 2009.

I look forward to seeing you in Cedar City for another great conference.

Sincerely,

Boyd Kitchen
UWCA President
