## Weed Science Program

### Weed Control Results

**Welcome** to the 2006 Weed Control Results for the Iowa State University Weed Science Program. We are pleased to present this report to you in an electronic format. Included are the individual studies and supplemental information. We hope you find the entire report format and contents convenient and useful.

Sections of the 2006 report are listed to the left in the **bookmarks** pane. Click on a bookmark to view the link contents in the main window.

To search for weed species, products or anything else in the 2006 report, select **Search** from the bookmarks or click the box below to open the search box. To expose the “full reader search” in the opened search box, click the find button and then on “open full reader search.”
