FROM : Mr. Karl D. Yordy
Acting Chief, Grants Review Branch

SUBJECT: Materials for February Council Meeting

DATE: February 9, 1967

Attached is a printed copy of 3 S02 RM 00053-01, Michigan Association for Regional Medical Programs, Inc., together with its labelled tab. This application was received too late to be printed for the January Review Committee meeting, but it should be filed in Book II for the February 19-21 Council Meeting. You may want to add this supplement to the listing on the cover of your Book II folder.

Also attached are some supplementary pages (pages 82 thru 99) to be added to 1 S02 RM 00026-01R, University City Science Center (Greater Delaware Valley Region). This application is filed in Book II.

The University of Tennessee (Memphis Medical Region) 1 S02 RM 00051-01, has submitted the attached amended pages which should be worked into the application filed in your Book I. The letter which is reproduced on pages 1a, 1b, 1c, and 1d explains the amendments.

The Associated Medical Schools of Greater New York, 1 S02 RM 00058-01, submitted a revised budget for the Memorial Hospital portion of its application which altered budget items on several pages. In an attempt to make the changes as uncomplicated as possible, we re-ran pages 1 thru 5b reflecting the budget changes where necessary, as well as pages 54 and 55. Please insert these new pages in your New York application filed in Book I.

The "blue sheet" Summary Statements are nearing completion and will be distributed shortly.
