PRESENT

Invasive Plants in Southern Ohio:
A Land Manager's Workshop

Friday, January 30, 2009

10:15 a.m.—3:30 p.m.

Oak Hill Public Library
226 S Front Street
Oak Hill, Ohio 45656

Tree of Heaven

As a land manager in the community encompassing the Iron Furnace Cooperative Weed Management Area, it is important to know what kinds of invasive plants you are dealing with. This one day workshop will provide you with information about the types of invasive species commonly found in our area, how to spot them, what the most problematic species are, and how to get rid of them.

Japanese Knotweed

This workshop is free. We do ask that you please register by Friday, January 23, 2009 by calling Carrie Yaniko at 740-867-4737 or send an email to carrie.yaniko@oh.nacdnet.net.
