H.R.P. Cante

11/11/74

1. Nov. 14 Agenda mtg. 9<sup>00</sup> am Room 4-06  
L.O. sessions mid-Dec. prior to Gov. confs.  
Dry-run prior to official session.
2. Legis - Sen Bill filed Tues. Report being  
finalized. No Sen. schedule. House session  
chance during following week to ~~10~~ 10 days.  
No formalizing. Sec. requested White House  
to push health plg. Manpower seems  
dead.  
Siri sponsors pushing for public agency  
eligibility. Could be national story  
this week.
- AMA + Ill. Hosp. Assn. AAA feel shuffed  
& lashing out. Urging Hosp. to contact  
Cong. Rate review in plg. agency +  
Sen. bill re const. + recertification  
House Bill O.K. except for "  
AAA will cooperate + set aside staff +  
money.
3. Craft - GS-6 staff asst. to be posted. Move  
CHP person bridging.
4. FY 77-81 forward plan. HRP in mind,  
what are problems arising? Comments  
are desired. Closing of facilities. (2) Local  
develop. fund. Is categorical or multi-  
purpose. (3) (4) HSA's must be

included in decision-making at local level.

Regulation devices vs. others.

NHPC will need data channel for policy guidance.

Comments this week <sup>in writing</sup> = HRA, HRA, +

NCHP rules in longer term re '77-'81

5. RHA's concerned about meetings w/o legis. Phasors or phasors per legis. position.
