

**11<sup>th</sup> North American Agroforestry Conference**  
**May 31 – June 3, 2009**  
**Stoney Creek Inn, Columbia, MO**

Saturday, May 30 - Optional pre-conference tour in the afternoon of local agroforestry demonstration sites (to be determined) followed by a group dinner at a local restaurant. Transportation will be provided.

Sunday, May 31 - Welcome reception with appetizers and cash bar will be held in the evening at the Stoney Creek Inn to kick off the conference, followed by an AFTA board meeting and an AFTA membership meeting.

Monday, June 1 - Plenary session, morning and afternoon concurrent sessions, luncheon, late-afternoon poster session, exhibits, and an evening banquet at the Stoney Creek Inn.

Tuesday, June 2 - Motor coach tour in the morning and afternoon of the MU Horticulture and Agroforestry Research Center located in New Franklin with lunch provided. In the late afternoon we will travel to the Shepherd Farms located in Clifton Hill, to tour the agroforestry demonstrations, pecan processing plant and view the 300-head buffalo herd. The tour will be followed by a catered BBQ dinner at the farm.

Wednesday, June 3 - Morning concurrent sessions at the Stoney Creek Inn followed by a luncheon. An optional post-conference tour to the MU Greenley Research Center located in Novelty leaves from the Stoney Creek Inn after lunch and will include transportation and a catered dinner at the farm.

Thursday, June 4 - Optional all day post-conference tour of the MU Wurdack Farm located in Cook Station and other agroforestry demonstration sites located in south-central Missouri. Transportation, lunch and dinner are included.
