

Hello all,

**The Roaming Invasive Species Kits (RISK trunks)** are ready to order! Get your order in... they are going fast!

Your weed education trunk is jammed packed with all kinds of goodies to educate any age on the effects of noxious weeds. This kit comes in a beautiful rolling duffel bag that is easy to transport. Imagine having all of your educational supplies all in one location ready to use at the spur of the moment! This kit is so easy to use it can be used by weed professionals or checked out to teachers; even the general public will find this kit easy to use. This kit is so versatile you can even add a few of your own favorite education materials.

This kit has information pertinent to Montana and can be tailored to fit your individual needs. Included in this kit is a curriculum for grades K- 9 but can be taught to all ages wrapped up in a neat binder, easy to use power-points with guides, plastic weeds, tightly sealed jars of weed seeds for the real visual, bio- control mounts, Montana weed guide booklets, the famous Montana Weed Wrangler Game laminated for students, Leafy spurge roll out, weed tattoos, and much much more.

If you wish to order this kit please contact:

The Ravalli County Weed District  
329 Stevi Airport Road  
Stevensville, Montana 59870  
406-777-5842  
Email: melissa.rcwd@yahoo.com

The cost of this kit is an amazing \$ 280.00. (We can invoice)

If \$ 280.00 is to much for your budget you can subtract the leafy spurge roll out with will make the trunk cost \$180.00.

*Who will these trucks benefit?*

*Forest Service, Weed Districts, Science Teachers, DNRC, NRCS, BLM, 4-H groups, Garden Clubs, Landscape Companies, Commercial Applicators, the list goes on!*
