PUBLIC AND
PRIVATE PARTNERS
WORKING TOGETHER

TO CREATE A
"FIRE SAFE CALIFORNIA"

WHO IS THE FIRE SAFE COUNCIL?

The Fire Safe Council is a coalition of public and private sector organizations that share a common, vested interest in reducing losses from wildfire.

MISSION

To preserve California's natural and manmade resources by mobilizing all Californians to make their homes, neighborhoods and communities fire safe.

This mission is being fulfilled through the combined expertise, resources and distribution channels of Fire Safe Council members.

OBJECTIVES

- 🔥 Unite Council members to speak with one voice on fire safety.
- 🔥 Empower grass roots organizations and individuals to create fire safe communities.
- 🔥 Unite Council members to increase distribution of fire safe education materials.
- 🔥 Evaluate fire safe-related legislation.

A Council In Your Community

There are approximately 90 Councils in communities throughout California, and in other states.

To find the Council nearest you, or learn how to start your own, visit the Fire Safe Council's web site, www.firesafecouncil.org.

WHY DOES CALIFORNIA NEED THE FIRE SAFE COUNCIL?

Development in California has created wildland-urban interface communities amid the state's fire-dependent landscapes. The corresponding increased demand for fire services in the wildland-urban interface can only be met with a proactive community-based response.

The solution to the state's wildfire crisis is creating communities that can stand against wildfire, because for residents and businesses, living in California means learning to live with fire.

The Fire Safe Council empowers communities to become fire safe.

www.firesafecouncil.org

The Fire Safe Council hosts one of the best online resources for fire safety in California:

🔥 Local Council Sites

Set up your Council site and visit other Councils'; hosted by the statewide Council.

🔥 Links

Link to statewide Council member and other sites with relevant fire safe information.

🔥 Fire Safe Council Handbook

The definitive guide on how to form a Council.

🔥 Fire Safe Inside and Out

Fire safety tips and strategies for inside and outside the home.

🔥 Fire Safe Landscaping

Highlights four keys to a fire safe landscape: planning, spacing, watering and maintenance.

🔥 Fire Safe Council Brochure

Online version of this brochure.

🔥 Fire Safe California Community Action Kit

Complete community fire safety guide.

🔥 California Fire Plan Overview

A summary of the proactive approach to managing resources to reduce wildfire losses and contribute to ecosystem health.

🔥 California Fire Plan Complete Document

Link to download the entire Fire Plan as an Adobe Acrobat or HTML file.

🔥 Non-Profit Application

Sample to help your Council apply for non-profit status.
