¹ At the time the President's fiscal year 2004 budget was prepared, the fiscal year 2004 mandatory request for Vocational Rehabilitation State Grants assumed enactment of the fiscal year 2003 President's request. The mandatory baseline is the previous year's appropriation adjusted by the change in the CPI-U, and is the minimum amount Congress must appropriate for this program. Because the final fiscal year 2003 appropriation was less than the President requested, the actual baseline is \$2,584,162 thousand, \$84,490 thousand less than anticipated.
