JULY/AUGUST 1974 REVIEW

Application - This application requests \$655,436 for support of 20 projects. (Eleven projects totaling \$481,039 were approved by June Council). All projects are new and are projecting an 8/75 termination date.

Four of the twenty projects are in the renal disease and account for about 20% of the July request.

Staff - Although the Region recruited a new Evaluator, staffing should be completed no later than July 31 to insure adequate monitoring of the eleven funded activities.

A letter from the Coordinator addressing CHP negative comments has been received and will be distributed.

Project #63 Strengthen Perinatal Service - This applicant requested \$17,000 for a perinatal ambulance. It is recommended that CNYRMP lease rather than buy this equipment if this project is approved by their RAG.

MAY/JUNE 1974 REVIEWRequest: \$796,986Committee Recommendation: \$615,000Overall assessment by individual reviewers: Average

Critique: Reviewers found the CNYRMP RAG to be active and effective. The Region was noted to omit its Goals and Objectives from its current application and presented its program in terms of thrusts. The present number of staff relative to the multiple number of activities raised serious questions concerning the Region's monitoring capability. However, proposed staffing patterns seem adequate. The Region's accomplishments in the North County in reference to recruiting sixty physicians was cited as a remarkable gain. Also the local matching identified in the CNYRMP EMS activity was considered deserving of credit. The hypertension project's lack of CHP comments was found to be an oversight on the part of the Region and will be corrected by the next submission.

JULY/AUGUST REVIEWEstimated request as of May 1974: \$1,150,000

EO/5/27/74

NATIONAL ADVISORY COUNCIL - June 13-14, 1974

Council recommended that the Central New York RMP application be funded at the level of \$706,379 rather than \$615,000 as suggested by the Committee since the request was primarily for continuation support.

DRMP FUNDING DECISION - \$671,180
