SUBPART 804.1 – CONTRACT EXECUTION

804.101 Contracting officer's signature.

(a) If a contracting officer's name and title has been typed, stamped, or printed on the contract, and that contracting officer is not available to sign the contract, another contracting officer, as specified in 801.602, may sign the contract.

(b) The contracting officer who signs the contract must have contracting authority to cover the contract to be signed and must annotate his or her name and title below his or her signature.
