AGENCY: Grain Inspection, Packers and Stockyards Administration, USDA.

ACTION: Notice and request for comments.

SUMMARY: This notice announces that 16 facilities now meet the definition of a stockyard under the Packers and Stockyards Act and therefore we propose to post signs identifying these facilities as posted stockyards. SUPPLEMENTARY INFORMATION: The Grain Inspection, Packers and Stockyards Administration (GIPSA) administers and enforces the Packers and Stockyards Act of 1921 (7 U.S.C. 181-229) (P&S Act). The P&S Act prohibits unfair, deceptive, and fraudulent practices by livestock market agencies, dealers, stockyard owners, meat packers, swine contractors, and live poultry dealers in the livestock, poultry, and meatpacking industries.

Section 302 of the P&S Act (7 U.S.C. 202) defines the term “stockyard” as follows:

* * * any place, establishment, or facility commonly known as stockyards, conducted, operated, or managed for profit or nonprofit as a public market for livestock producers, feeders, market agencies, and buyers, consisting of pens, or other inclosures, and their appurtenances, in which live cattle, sheep, swine, horses, mules, or goats are received, held, or kept for sale or shipment in commerce.

Section 302(b) of the P&S Act requires the Secretary to determine which stockyards meet this definition, and to

notify the owner of the stockyard and the public of that determination by posting a notice in each designated stockyard. After giving notice to the stockyard owner and to the public, the stockyard will be subject to the provisions of Title III of the P&S Act (7 U.S.C. 201-203 and 205-217a) until the Secretary deposes the stockyard by public notice. To post a stockyard, we assign the stockyard a facility number, notify the owner of the stockyard facility, and send an official posting notice to the owner of the stockyard to post on display in public areas of the stockyard. The entire process is referred to as posting. The date of posting is the date on which the posting notices are physically displayed. A facility that doesn't meet the definition of stockyard in the P&S Act isn't posted and therefore isn't subject to provisions of the Packers and Stockyards Act. A posted stockyard can be deposed. We deposit a stockyard when the facility can no longer be used as a stockyard.

This document notifies the stockyard owners and the public that the following 16 facilities meet the definition of a stockyard and that we, therefore, propose to post them. If we do not receive comments about these facilities, we expect that they will be posted by DD/MM/YY. If we receive comments that these facilities do not meet the definition of a stockyard, these facilities may not be posted, or the posting may be delayed while we consider the comments.
