## Instructions for providing printer information

Enclose, with this form, the labels from each printer that will be used to print labels with bar code numbers (minimum 10 per printer). List those printers below with their brand names, model numbers, and serial numbers. On each group of labels from one printer, write on the first label or attach a note indicating the printer number from the list below.

| Printer Number | Printer Brand Name | Printer Model Number | Printer Serial Number |
|----------------|--------------------|----------------------|-----------------------|
