

Dear Colleague:

We are currently updating our mailing list by verifying participants' names and addresses, as well as areas of interest. With this updated list, the U.S. Department of Energy, National Energy Technology Laboratory (NETL), will be able to provide the most complete and up-to-date information to you regarding our conferences, workshops, and seminars.

For your convenience, please go to: www.netl.doe.gov, click on "Events" and then on "**Add Me to Your Mailing List.**" To complete and e-mail the fillable form electronically, you must have the Author version of Adobe Acrobat 5.0 installed on your computer. Once completed, please e-mail it back to us at event.management@netl.doe.gov. However, if you do not have the Author version of Adobe Acrobat, you can still complete the form using the free Acrobat Reader 5.0 (<http://www.adobe.com/products/acrobat/readstep.html>) on your computer, print it, and fax to:
