Re: 21 U.S.C. Section 343(r)(6), Notification of Statements on Dietary Supplements

Dear Sir/Madam:

I hereby notify the Food and Drug Administration ("FDA") of the use of statements of nutritional support in the labeling of Mi-Gone, a nervous system support supplement.

Statements being made in the labeling of Mi-Gone

- (1) Mi-Gone is a kosher herbal supplement specially formulated to support healthy nervous system function. Feverfew is an herbal ingredient with a long history of use by many different cultures. It contains an active compound called *parthenolide*. This herbal ingredient is synergistically supported by essential nutrients like Magnesium, which supports healthy nervous system function through cellular health.

To the best of my knowledge, and based upon information and belief present at the time of the executing of this notice, I certify that the above information is accurate and complete. NOW Foods possesses substantiation that the statements are truthful and not misleading.
