Anorex-SF™ Directions: Take two capsules with a full glass of water three times per day: morning, noon and early evening. Do not exceed recommended use.
WARNINGS: Do not take if sensitive to or if allergic to aspirin. Do not use if pregnant (it is especially important not to use aspirin during the last 3 months of pregnancy unless specifically directed to do so by a physician because it may cause problems in the unborn child or complications during delivery), nursing, have asthma, or have stomach problems (such as heartburn, upset stomach or stomach pain) that persist or recur, or if you have ulcers or bleeding problems, unless directed by a physician. If ringing in the ears or temporary loss of hearing occurs, consult a physician before taking again.

DRUG INTERACTION PRECAUTION: Do not take this product if you are taking MAO inhibitors or a prescription drug for anticoagulation (thinning of the blood), diabetes, gout or arthritis or any other prescription drug unless directed by a physician. This product is not intended for pain relief, fever, toothache or any other analgesic effect.

Keep out of the reach of children. Children and teenagers should not use this product, or any other product containing aspirin, for chicken pox or flu symptoms before a physician is consulted about Reye Syndrome, a rare but serious illness reported to be associated with aspirin. In case of overdose, get medical help or contact a Poison Control Center right away.
ALCOHOL WARNING: If you consume 3 or more alcoholic drinks every day, ask your physician whether you should take aspirin. Aspirin may cause stomach bleeding.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Use only as directed. Store at controlled room temperature 15°-30°C / 59°-86°F
