Dear Mr. Foret:

This is in response to your letter of July 22, 2002, concerning the following claim for our product Heartburn Free™:

"10 pills, 20 days, Heartburn Free™"

Consistent with our policy of not using structure/function claims on product labels until we have allowed at least two months to elapse after submitting the proposed claims to you, we have not yet used this phrase on product labels. Based on your objections, you can be assured that we will not use it on future product labels or in any labeling.

If you have any further questions or comments, please let us know.

Sincerely,

Robert C. Doster  
Senior Vice President of Scientific Affairs
