Question 10. Other section. What did you think about Key Question #2 and the threaded discussion that ensued: "What tools and methods, in addition to confidential interviews, are effective for gathering ifnormation and evaluating the likelihood of success during assessments?"

Colin there were 3 comments listed under "Other." They did not seem to offer anything of substance but I am listing them here for you to decide what you would like to do with them.

- *I didn't review the discussion*
- *Unfortunately there was not much contributed on this topic.*
- *Although I got the impression that some folks more interested in talking than listening.*

Question 11. What did you think about Key Question #3 and the threaded discussion that ensued: "What role should stakeholders have in designing and conducting an assessment, as well as in interpreting its findings? - Whose assessment is it anyway? - What are some of the considerations for the assessor doing, or not doing the mediation?"
