

**Antarctica Specially Protected Area No. 104 (Specially Protected Area No. 4)  
Sabrina Island, Balleny Islands; Lat 66°54'S, long 163°20'E**

Description: A small island some 2 kilometres south of Buckle Island in the Balleny Islands. The area is shown on the attached map.

Designated in Recommendation IV-4 on the grounds that the Balleny Islands, as the most northerly Antarctic land in the Ross Sea region, support fauna and flora which reflect many circumpolar distributions at this latitude and that Sabrina Island in particular provides a representative sample of such fauna and flora.
